PETITIONING THE COURT

To modify the conditions of supervision as follows:

- 17 You shall reside in a residential reentry center for a period of up to 90 days. This placement may include a prerelease component, day reporting, and home confinement (with or without electronic monitoring, but not to include GPS) at the directions of the CCM and USPO. You shall abide by the rules and requirements of the facility. You shall remain at the facility until discharged by the Court.

CAUSE

The defendant is completing the last portion of her Bureau of Prison (BOP) confinement at Bannum residential reentry center (RRC), and is scheduled to be released on February 5, 2008. Although she has found employment, she has not saved enough money to secure her own residence, and has requested a public law placement up to 90 days. She plans on releasing to her own apartment in Spokane, and may need this amount of time to save the necessary revenue to make this possible. She has indicated a desire to be screened for the Sobriety Treatment and Education Program (STEP), and the screening process is pending her release from BOP custody.

I declare under penalty of perjury that the foregoing is true and correct.
